

## State Employee Recognition Week

## State Employee Recognition Week is May 5 – 9, 2008

State Employee Recognition Week is a time set aside to better inform people about the wide variety of services provided by state employees. It is also a time to show appreciation to the employees who ensure that our government is the best in the world.

State Employee Recognition Week is an occasion to recognize every agency's involvement in the local community – the innovative programs that enhance the quality of life, and all successful efforts to improve customer service for Missouri citizens.

It is also a time to notice the outstanding state employees we work with every day – people who have chosen to make a career of public service.

It is important to put a face to state service. Each manager, supervisor and employee – whether behind the scene, or out in front – is the face that someone turns to for help and assistance every day. State Employee Recognition Week reminds us of the dedication it takes to fulfill each agency's mission, and the pride employees take in the work they do.

## State Employee Recognition Day is May 2, 2008

Be sure to attend the Recognition Day "kick-off" event held on the south lawn of the State Capitol Building from 11:00 am through 2:00 pm on May 2.
